"If you listen to no other bands or musical outfits in the Americana genre ...listen to The Lowest Pair."
"...clearly a duo who doesn't mind taking the occasional whiff at wide scope lyrical profundity...they connect here with a sweeping personal look at their own lives and the hearts of those around them."
-No Depression
"...one of the best under-the-radar Americana duos today."
-Paste Magazine
"Kendl Winter and Palmer T. Lee, both playing guitar and banjo and trading vocals; hers an achingly beautiful distinctive tone that complements his smoky delivery to perfection."
- Americana UK, The Lowest Pair at The Green Note, London
